

Cookie Policy

Introduction

The Flipper Club Ltd uses Cookies to help our Website (www.flipperclub.co.uk) run effectively and to provide the best experience for our visitors.

Before the Website places Cookies on your computer, you will be presented with a message bar requesting your consent to set those Cookies. By giving your consent to the placing of Cookies, you are enabling The Flipper Club Ltd to provide a better experience and service to you. You may, if you wish, deny consent to the placing of Cookies; however certain features of the Website may not function fully or as intended.

For more information about the SquareSpace use of cookies, including cookies used on squarespace.com as well as, web and mobile apps, visit the [Cookie Policy](#) and [Privacy Policy](#).

What are Cookies?

Cookies are small pieces of data that websites store on a device. Cookies can improve your browsing experience because they help websites remember preferences and understand how people use different features.

Functional and Required Cookies

Squarespace uses some necessary cookies because they allow visitors to navigate and use key features on your site. These cookies vary from site to site depending on the features it uses.

Name	Purpose, type, and duration
_acloggedin	<ul style="list-style-type: none">• Supports login by Scheduling client if the client has an account.• Cookie• January 1, 2025
_client_acloggedin	<ul style="list-style-type: none">• Supports login by Scheduling client if the client has an account.• Cookie• January 1, 2025

Check your cookies

For the most common browsers, you can:

- See which cookies are active in your browser's settings.
- Clear cookies from your browser or device, either globally or from a specific website.

You can choose to enable or disable Cookies in your internet browser. By default, most internet browsers accept Cookies but this can be changed. For further details, please consult the help menu in your internet browser.

For help locating cookies on your device, visit your browser's documentation:

- [Chrome](#)
- [Firefox](#)
- [Safari](#)
- [Internet Explorer](#)

You can choose to delete Cookies at any time; however you may lose any information that enables you to access the Website more quickly and efficiently including, but not limited to, personalisation settings.

Disabling Squarespace Analytics and Performance Cookies doesn't disable cookies placed by third-party services connected to your site, such as Facebook Pixel or Google Analytics.

It is recommended that you ensure that your internet browser is up-to-date and that you consult the help and guidance provided by the developer of your internet browser if you are unsure about adjusting your privacy settings.
